2. Dr. Charles Switzer reported that overall Eastern's "non-duplicated enrollment declined 5.95 percent" in the summer of 1984. There was, however, an increase of approximately 3 percent in non-duplicated enrollment in Intersession 1984 compared to Intersession 1983. Despite a decline in enrollment in the summer of 1984, there was an increase in credit hour production. In other words, the fewer students averaged a greater course load than those attending summer sessions in 1983. He also noted that approximately 62 percent of Eastern's faculty had summer teaching assignments in 1984. Since

1978, Dr. Switzer pointed out, Eastern's summer school growth has been greater than the national average.

3. Faculty Oriented Dining Facility: Billy Lynn, spokesman for Coffee, Tea, Etc., questioned whether the community would support two coffee shops, his wife's establishment (Coffee, Tea, Etc.) and what he termed state-funded competition on campus.

NEW BUSINESS:

Jayne Ozier's report on the Council of Faculties:

The first meeting of AY 84-85 for the BOG Council of Faculties was held at Governors State University on September 9-10, 1984.

The following calendar for the Council of Faculties meetings was approved:

November 4-5, 1984	Board of Governors Springfield, Il.
December 2-3, 1984	Chicago State University
February 3-4, 1985	Northeastern Illinois University
April 7-8, 1985	Western Illinois University
May 5-6, 1985	Eastern Illinois University

The proposed constitution with suggested revisions for the council was circulated.

The 1984-85 chair and secretary for the Council were elected from the Western delegation. The vice chair was elected from Northeastern.

Two committees, one on writing skills and another on academics, were formed last year. Since the final reports for the study committees are incomplete, the committees will continue. Dr. Pringle suggested the Council study graduate education this year.

In the BOG Deputy Executive Director for Academic Affairs report, Dr. Pringle briefly discussed the BHE request for a report on high school requirements and recommendations for college admission. The report is due July 1, 1985. He also mentioned the necessity of another academic program review.

The meeting adjourned at 3:52 p.m. The next meeting of the Faculty Senate will be on September 25 at 2:00 p.m. in the Martinsville Room.

Secretary,

Bill Searle
